February is the month the United Methodist Church is holding a special session of the General Conference.

This special session will be meeting February 23-26 in St. Louis, MO to review what has been called "The Way Forward"

From our conference page:

*The purpose of this Special Session of the General Conference shall be limited to receiving and acting upon a report from the Commission on a Way Forward based upon the recommendations of the Council of Bishops. The 32-member Commission was appointed to examine paragraphs in The Book of Discipline concerning human sexuality and exploring options to strengthen the unity of the church.*

General conference is in May of 2020 in Minnesota.

For more information on either of these conferences, please go to

generaljurisdictionalconference](https://www.mtnskyumc.org/generaljurisdictionalconference)

OR, talk with Pastor Rick Stewart. His office hours are Tuesday 9-1pm and any other time by appointment.

He has written resources if you'd like to take something home.

Pastor Rick

## From your Lay Leader

Money, it is something that human mind invented a long time ago. I don't know what caused someone to come up with the idea, but it has been around a long time.

In the bible there many mentioned things about money. The widow and her 3 small coins, the money exchangers in the temple and Jesus as he cleared the temple. And the story of the rich person who asked what he needed to do to attain eternal life.

I find it comforting that we don't have to be rich to follow the teachings of Jesus as it is not what material things we have but what is in our hearts that count. One cannot buy their way into heaven.

We all have so many riches in our lives, family, homes, friends and a beautiful place to enjoy God's creation.

That old country song says if I had his money, I could do things my way makes me smile. Someone sings that same song about me as we are richer than someone else. Some things about money I found in a book that was interesting to read.

A dollar bill lasts about 1\12 year before it is replaced due to wear. The average bill is exchanged about 400 times in its lifetime. The current dollar bill is 1\3 smaller then it was in 1929. It costs the same to print a dollar bill as it does a 100 dollar bill.

I leave you with this thought, it is not how much we have, but what we do with our wealth. God's blessings on all who struggle in today's many facets of life.

Layleader,

Andy

A very special thank you and welcome to Laura Franklin!

*Thank You*

Have you noticed a new pianist?

Laura and her husband Larry came to church one Sunday in December where I happened to be using the old Amazon.com music.

Afterwards she shared that she's spent her whole life playing piano in churches and has offered to play for us as well where time allows!

She plays beautifully and has said she's enjoyed it. So join her loudly with your voices!

With Stephanie, Linda, Jim and now Laura the musical program at this little church is back!

Thank you all!
