

What do you value? Wealth Creation Values.

This is an example of how your first draft of wealth creation values may look
(No need to print, I'm interactive just click in a box to start typing your answers)

1	That I have money in the bank for now, money for later and money for the future
2	That I am in control of financial decisions
3	That I have a plan
4	That I have independence and security
5	Happy to bet on me – my business
6	That I can always make an income regardless of what happens
7	That I am protected
8	That I have a large disposable income
9	That I have control
10	That I can do what I want when I want (within reason)
11	That I travel overseas every year with my family

Now it's your turn.

What is important to YOU when it comes to wealth creation?
