MONEY BARRE

---

Sometimes we associate words and feelings with money. There might be things we think are bad, things we think are good and things we think are OK.

Examples might be:

I don't think it's ok to have too much money (bad)

I think it's bad to have debt (bad)

I think it's OK to enjoy now (ok)

I think it's good to be tight around spending so you're being smart with money (good)

We'd love you to fill in the boxes below with what you think about money.
