COUNCIL ROCK north choirs

VOICE

A note from our CRNCPA Board Presidents...

'Tis the holiday season and certainly a busy one for North Choirs! We know everyone is looking forward to the Winter Concert on December 13th. You are not going to want to miss this performance, these hard working kids will not disappoint! CRNCPA is also hard at work planning fundraisers, helping with the concert, and if your student is going on the trip, don't forget to get the order in for their personalized tour jacket & bag. Finally, a huge thank you to everyone who came out to support North Choirs at Jules Pizza, we made over \$200 in one night!

As always, thanks to all of our parent support. This holiday season enjoy your family, enjoy the decorations and enjoy the music. Especially the music!

DETAILS COMING
SOON!

Hello everyone! By Mason Olshavsky, VP Ensembles NorthChoirs is thrilled for the holiday season! As all of the students in the Choir program prepare for the upcoming Winter Concert on Friday, December 13th, we are also making new friends, learning new things, and having wonderful experiences with each other. NorthVoice also has a full, busy schedule coming up with plenty of joy to be spread at our many holiday performances. I am also excited to announce that Rhythm of the Rock has been working extremely hard to get back on track with a variety of fun selections, including a special song that we will be performing at the Winter Concert! The students are becoming acquainted to choir and beginning to unwind in our new environment. We, as a choir family, will push through and move forward together!
