

BEE AMAZING MINNESOTA

Hosted by the Thriving by Design Network

SUMMER SPOTLIGHT 2019

Changemakers and idea pollinators can be found in every corner of our state.

Thriving by Design wants to shine a light
on efforts being led in communities that bring the
vision and values of the MN Equity Blueprint to life!

**Are you doing something in your community that builds
a thriving, inclusive economy and shared prosperity for all?**

How stories will be spotlighted

social media | e-newsletters | online platforms | podcasts

Help us help you tell other Minnesotans about the project, initiative, or program happening in your community. Your spotlight story will be presented as shared using **#BeeAmazingMN**.

As summer begins to wind down, organizers will reach out to Community Pollinators about opportunities to showcase their work at upcoming events and gatherings, including a Fall Harvest!
