

# HEALTH - EDUCATION & POLICY

KARA TERRY

JULY 16, 2020

**REGION FIVE**  
Development Commission

Kara Terry, Crow Wing County Community Services Director

Kara Terry serves as the Director of Community Services and oversees social services, community corrections and public health. Ms. Terry is also the Community Health Services Administrator for Crow Wing County. Ms. Terry provides oversight of the delivery of client-focused services, collaborates with regional partners, and coordinates public health activities in the Crow Wing County area. Ms. Terry has been with community services for over five years.

Ms. Terry is trained in the Technology of Participation facilitation style. She has facilitated hundreds of groups, planning sessions and trainings. Recently, Ms. Terry facilitated a large group of Crow Wing County community members around the topic of mental health and the Make It Okay campaign.

**Technical Assistance Facilitated by R5DC**  
**Funded by MDA Good Food Access Program**
