EFO funded \$1,690,050 to all Orinda schools for the 2018-2019 school year.

**“ Without EFO’s generous support, our schools would be
unrecognizable, and they would certainly not be able to provide the
incredible educational opportunities that are possible today.”**

Dr. John Nickerson *Superintendent Acalanes Union High School District*

A big thank you to the Orinda community for helping EFO meet its commitment of \$1,685,000 for the 2018-19 school year! Our outstanding public schools are one Orinda’s greatest assets, and we appreciate your investment in our children’s education.

EFO is unique in that we are the only organization that supports all of the public schools in Orinda. Donations to EFO fund small class sizes, art and music instruction, and access to a wide variety of electives and student enrichment programs. Our schools continue to be recognized as some of the highest achieving in the state with test scores reflecting the academic success that your support has helped to deliver. It truly takes an entire community’s commitment to maintain this exemplary level of success!

For the 2018-19 school year, EFO funded \$1,690,050 to support core academic, enrichment and support programs that benefit each student in Orinda from transitional kindergarten through 12th grade. In September, EFO welcomed Darcie Taylor as our organization’s first Executive Director, strengthening our abilities to continue as an important fundraising source for Orinda schools.

On behalf of our EFO Board and Executive Director, I thank you for your generous support. Your annual EFO donations - together with Parents’ Clubs donations — ensure that Orinda’s children receive opportunities to meet their highest potential.

With thanks,

Kara Dille

EFO President , 2018-2019

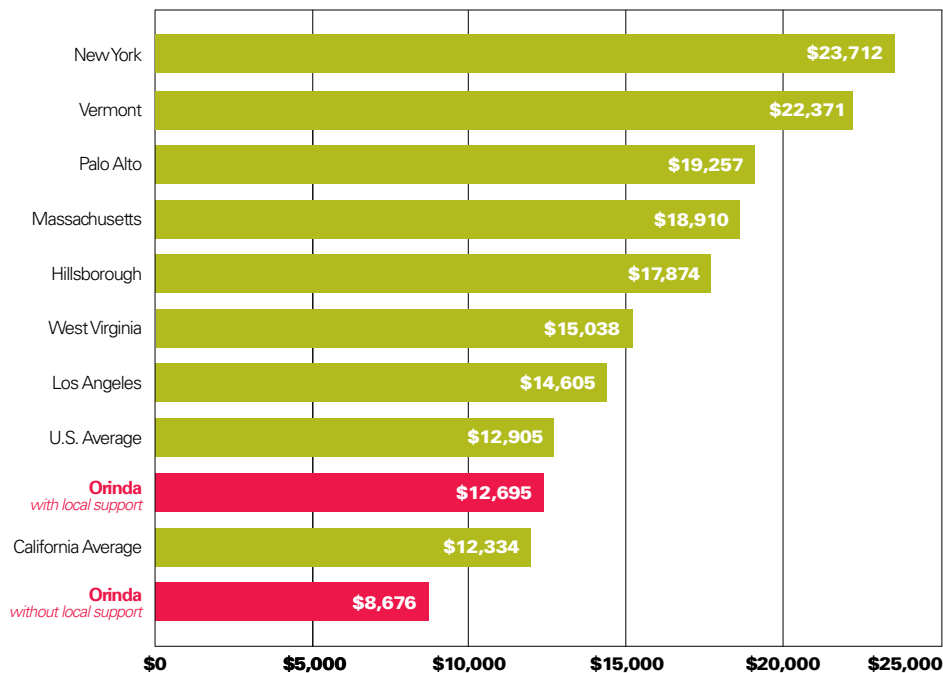

WHY DO ORINDA PUBLIC SCHOOLS NEED YOUR PRIVATE DONATIONS?

Did you know Orinda remains one of the lowest publicly funded districts in the state with per-student funding of \$8,676 compared to a California state per-student average of \$12,334.

Why do our districts need supplemental funding?

- Although state property taxes are high, Proposition 13 set strict limits on the amount of tax revenues that can be directed towards education.
- California schools receive base funding on a per-student basis with some districts receiving additional monies for higher need students.
- The combination of insufficient state finances and our districts' demographics that disqualify Orinda from receiving additional funds perpetuates a continuous need for donations to bring Orinda's per student funding up to the state average.

Comparison of Per Pupil Government Funding 2016-2017

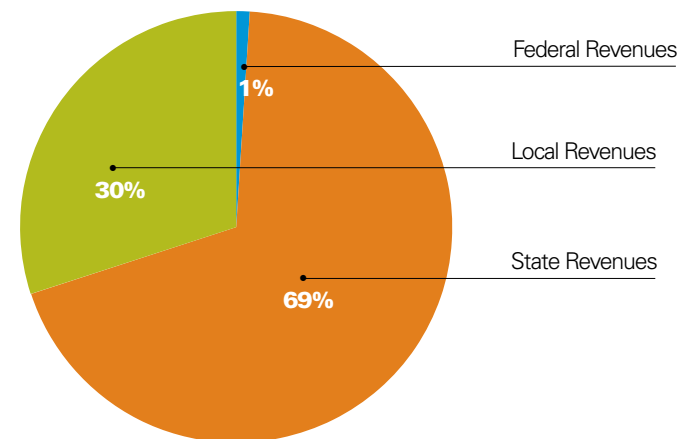

Sources: National Education Association April 2018 Research. Revenue per student in fall enrollment 2016-17 California - California Department of Education, School Financial Services Division, www.ed-data.org. Per student amount includes LCFF revenue, federal revenue and other state revenue per student. Local support for Orinda Union School District includes parcel taxes, EFO contribution and Parents' Clubs contributions.

Orinda schools are a mainstay of our city. Generations of students have passed through our classroom doors, then on to higher education and productive, fulfilling adulthood. Our schools are one of the main reasons why people decide to move to Orinda, and ultimately, why many choose to stay for years. Orinda schools excel for many reasons not the least of which are the generosity and commitment extended from our engaged community.

Orinda Union School District Funding Sources 2019-2020

In 2019-2020, state and federal revenue will fund only 70% of our district's needs.

Contributions from local parcel taxes, Parents' Clubs and EFO donations are essential to the success of every Orinda student.

Impressive Results!

Orinda schools continuously rank among the top K-12 schools statewide!

GOALS FOR 2019-2020

EFO funding supports every student at every public school in Orinda.

Together with Parents' Clubs and local parcel taxes, EFO will fund 30% of the General Fund for TK-8 Orinda schools and 24% of Miramonte High School's budget for the 2019-2020 school year. The districts rely on EFO to help maintain excellence in education for Orinda's students.

“**Students benefit from your generous support of EFO in our Public Speaking program every day. Thanks to EFO, students utilize digital resources, receive specialized coaching, and compete in prestigious tournaments. EFO empowers 150 students at Miramonte to develop critical thinking skills and to speak their truth, making Miramonte Public Speaking one of the premier speech and debate programs in the country.’**

“Orinda’s excellent schools are the main reason most people move here, and my family is no exception. We are so pleased with how Orinda public schools have prepared our three children for life and for success at competitive colleges. Our schools are also what keep Orinda real estate prices strong and stable. These are the reasons why I donate a portion of every transaction that I close in Orinda to EFO.”

Roberta Calderon *Realtor*

To Our Dedicated Board and Volunteers (2018-2019)

We applaud and thank the many talented volunteers who work tirelessly to ensure that EFO’s mission remains achievable. Thank you!
