

Platinum RESTORE eye cream®

Formulated with hyaluronic acid to increase hydration, peptide combinations of palmitoyl tripeptide-28, and palmitoyl tetrapeptide-7 for anti-glycation benefits. Contains Vitamins A, C, and E combined with green tea extract to offer antioxidant protection. Also contains hesperidin methyl chalcone to reduce puffiness and inflammation. Excellent for smoothing and reducing the appearance of fine lines and wrinkles around the eyes.

Skin Type:

All skin types.

How to use:

Professional use:

For use with all professional facials for reducing puffiness and increasing hydration, and as a finishing step.

Home Care:

Apply twice daily under eyes and other areas of the face in need of firming and plumping. Follow the bt-ceuticals® regimen for maximum benefits.
