

Bio-Therapeutic
Skin Care for life inside and out®

CLEANSE hydrating

A gentle and soothing cream cleanser formulated with a blend of calming emollients to thoroughly cleanse while hydrating skin. Also excellent as an eye makeup remover.

Skin Type:

Mature, dry, dehydrated, or sensitive skin.

How to use:

Professional Use:

Mix with water and massage onto skin. Remove with warm water and cloth/sponge.

Home Use:

Gently massage onto damp skin. Rinse with warm water.
