

ACCELERATE brightening®

ACCELERATE brightening® contains niacinamide, ergothioneine, and palmaria palmata extract as a concentrated formula. Niacinamide improves barrier functions, hydrates and softens skin.

Skin Type:

All skin types.

How to use:

Professional Use:

Apply 1-2 drops on areas of hyperpigmentation during traditional and technology services.

Home Use

Apply 1-2 drops on dark spots after using CLEANSE, EXFOLIATE and TONE. Follow with bt-ceuticals® regimen.
