

**bt-infusion® hydrating masque**

bt-infusion Hydrating Masque is the most hydrating masque of the entire collection. This masque is for dry and dehydrated skin that has very little natural oil. Contains asiaticoside (*Centella asiatica*) which supports collagen and serves as an anti-inflammatory. Also contains licorice extract for clarifying and brightening dull skin.

**Skin Type:**

All skin types. Excellent for dull, dry, dehydrated skin.

**How to use**

**Professional Use:**

May be used in technology or traditional facials, accordingly. Prepare skin with CLEANSE, EXFOLIATE, and TONE. Remove MASQUE from packaging and apply to face. Follow the bt-ceuticals regimen for skin type.

**Home Use:**

Use CLEANSE, EXFOLIATE and TONE. Remove masque from packaging and apply to face for 10-20 minutes. Remove, and follow with bt-ceuticals regime for your skin type.

**bt-ceuticals® Home Care Regimen**

| Step | Normal Skin                  | Dry/Dehydrated Skin          | Oily/Blemished Skin           |
|------|------------------------------|------------------------------|-------------------------------|
| 1    | CLEANSE                      | CLEANSE hydrating            | CLEANSE                       |
| 2    | EXFOLIATE                    | EXFOLIATE                    | EXFOLIATE                     |
| 3    | TONE                         | TONE                         | TONE                          |
