

bt-infusion® clearing masque

This concentrated masque contains salicylic acid to reduce congestion, while papaya extract softens skin and reduces oil. It also contains hyaluronic acid to hydrate skin.

Skin Type:

Blemish prone skin.

How to use:

Professional Use:

May be used in technology or traditional facials, accordingly. Prepare skin with CLEANSE, EXFOLIATE, and TONE. Remove MASQUE from package and apply to the face. Follow the bt-ceuticals regimen for skin type.

Home Use:

Use CLEANSE, EXFOLIATE and TONE. Remove masque from packaging and apply to face for 10-20 minutes. Remove, and follow with bt-ceuticals regime for skin type.
