EXCELLENT

It should really be contemporary, and we  
should be answering people's needs.

IMPRESSIVE

to me, clothing is a form of self-expression; there are hints about who you are in what you wear!

## GLOURIOUS

Don't let the world's harsh light dim your glow. Be the world's brightest star and shine. You are all that's good in the world. Shine on.

Some legends are from the world beyond. Others still are from this world. Be the  
other-worldly beauty and make the world's gap with your beauty and charisma.

The colour palette of our new collection is lively and vivid, using a baseline blend of modern concepts combined with Indian culture, which keep the classic flavours alive of Indian fashion.

Fashion plays an extremely odd role in our lives that we are likely to define a dissonant role if we are not in tune with the times. The only constant in fashion is change. And I guess the same what makes fashion more interesting.

Full-on  
glamour

Fashion plays an extremely vital role in our lives. That we are busy to make a decision about what to wear is not in tune with the times. The only constant in fashion is change. And it goes on. The same old, same old fashion more interesting.
