INTERLOCKING TRAY SYSTEM

INCREASING SALES, SAVINGS & SUSTAINABILITY THROUGH DESIGN

WHY CHOOSE EZ POP

“ We combine our experience with a practical and problem solving approach. We understand that product and positioning is vital in today's competitive market. ”

EZPOP has invested thousands of hours into designing and re-designing our patented displays and has made major investments into research and development which includes dies, patents, designs, equipment, legal fees and prototypes.

We have also invested numerous hours working with various retailers and CPG companies to create these intelligent designs.

- ✓ Retailer Compliant
- ✓ Proven Customer Results
- ✓ Multiple Patented Designs
- ✓ Modular & Customizable Displays
- ✓ Strength & Sustainability Through Design

EZ STACK
