FOOT CURÉ

8OZ & 4OZ PUMP OR JAR

UPC #

WHAT IS FOOT CURÉ?

Foot Curé is a rich, all-natural topical cream clinically proven and Podiatrist recommended for the relieve of foot discomfort associated with poor circulation, arthritis, and dry skin. Foot Curé warms cold feet and soothes foot aches and pains. The all-natural penetrating formula is absorbed through the skin exactly where you need it to moisturize dry skin and restore circulation.

Foot Curé is ideal for people with diabetes, peripheral vascular disease, or dry, calloused feet.

After 7 days of use, feet will feel softer and show significantly enhanced circulation.

Foot Curé Warms Cold Feet: Yarrow is believed to have strong anti-inflammatory properties. Studies have shown that yarrow can reduce smooth muscle spasms and increase circulation restoring warmth and life to previously cold feet. Foot Curé Soothes Foot Discomfort: Improved circulation relieves numbness and discomfort in feet leaving them relaxed and restored. Foot Curé Moisturizes Dry Skin: Rich, luxurious, nourishing cream enriched with vitamins and nutrients to penetrate dry skin leaving it soft and comfortable.

Your feet support your body and your life. If your feet feel good, you feel good. Dry skin of the feet can lead to calluses and cracks or tears (fissures) opening the door to bacteria, fungi, and infection. All people are at risk of developing foot skin-related problems. That's why daily foot care is critical to good health and comfort for everyone!

Benefits of Foot Curé:

- Aids circulation when massaged thoroughly into skin
- Effectively helps athletes foot
- Only cream safe for use between toes
- Helps accelerate healing
- Helps relieve the pain of neuropathy and arthritis
- Quick penetrating formula helps relieve redness and itchy skin

Directions:

Apply generously, twice daily especially after bathing. Massage thoroughly.

Rich restorative cream penetrates skin deeply for intense moisturizing which helps reduce itch as it soothes dry, sensitive skin. Invigorates and exfoliates flaky, peeling feet to help soften and promote circulation.

Ingredients:

De-ionized Water, Cetearyl Alcohol, Stearic Acid, Glycerol Monostearate, Mineral Oil, Dimethicone, Lanolin, Vitamin E, Vitamin A, Sodium Hydroxides, Methyl Paraben, Emu Oil, Glycerine, Fragrance, Carbomer.
