COLLA-GEN 3000

120 CAPSULES

WHAT IS COLLA-GEN 3000?

Collagen is a compound naturally synthesized by your body that consists of various proteins. It plays an essential role in the structure of connective tissues, such as skin, tendons, ligaments and cartilage.

Collagen is the main protein found in all animals. Being the “glue” that holds our cartilage, ligaments, tendons, bone, and teeth it is the most abundant protein in our bodies. During the ages of 25-30 our body begins to lose more collagen than it can naturally produce. This loss of collagen eventually leads to wrinkles (signs of aging) muscle aches, pains, fatigue and more.

Colla-Gen 3000 is designed to strengthen the skins elasticity and blood vessels, reduce wrinkles as well as assist in the development of tissue.

Benefits of using Colla-Gen 3000:

- Smooth's fine lines & wrinkles
- Firms, tones and plumps up the skin
- Reduces cellulite
- Assists with joint, muscle pains/aches related to loss of cartilage
- Improves bone density and formation of cartilage
- Improves sleep patterns
- Builds scar tissue in damaged skin
- Strengthens nail and hair follicles up to 30%
- Provides Structural Protein in the body
- May help alleviate some of the symptoms of arthritis

Suggested Use

As a dietary supplement, take two (2) to four (4) capsules at bedtime on an empty stomach, or as directed by a healthcare professional.

KEEP OUT OF REACH OF CHILDREN

WARNING: If you are pregnant, nursing, taking any medications or planning any medical procedure, consult your doctor before use. Discontinue use and consult a doctor if any adverse reactions occur.
