Payments are to be made to the following account;

Name: NWSFC BSB: 306062 Account No: 0228006

Rules

- All registrations are to be in pairs.
- Every individual participant must sign on and off from 5am at the Port Hedland boat ramp
- Boats shall only be launched after 5am from the Port Hedland boat ramp with no diving before sunrise.
- All fish weighed in must be taken using a spear gun or pole spear whilst freediving.
- Each pair can weigh in ONE fish per species per diver. Points will be tallied as per the table below.
- There is no limit to the distance in which you can travel, provided you leave from and return to the Port Hedland boat ramp on the day of the competition.
- All competitors must have weighed in their fish (or be in the queue) by no later than 4:30pm – **no exceptions!** This will be held at **GT Diving & Marine (across from the boat ramp in Port Hedland)**.

Competitors must be able to easily distinguish their catch from others within the same boat and not cause delays at the weigh in station.

All fish will be inspected and weighed in whole. The Weigh Masters decision is final.

Any accusations or complaints must be formally submitted in writing with a \$20 fee and shall be reviewed by the committee and acted on accordingly.

The prize presentation will be held after the weigh-in at GT Diving & Marine straight after the weigh in on Saturday. If people are not present during the presentation, prizes will be kept at GT Diving until they can be collected.

All participants shall ensure their catch complies with the WA fisheries rules and that they have a current WA recreational fishing licence (crayfish included if applicable).

If weather is unsuitable the competition will be delayed by a fortnight.

This competition relies on the honesty of all competitors to ensure the integrity of the results and to ensure an enjoyable day is had by all.

Last of all spearfishing is a high-risk activity which needs to be treated with great respect and caution so please stay safe out there.

Tide Times

High Tide – 3:05am – 5.59m **Low Tide** – 09:22pm – 2.35m **High Tide** - 3:29pm – 4.97m
