Have you ever been interested in magic? Have you learned any magic on your own?
Why do you want to take magic classes?

What will you do for others in your community with the things you will learn?

Have you ever seen a magician perform and, if so, do you remember who it was?
Do you remember any specific tricks that he/she did?

What magic trick would you like to learn most?

Discover Magic Scholarship Application

What is the most magical thing you have ever seen?

What is the funniest thing you have ever done?

Are you a member of scouts or other clubs? Would you like to be part of a magic club?

What are your favorite school subjects and why? Do you like to read?

If you could be anything you want to be when you grow up, what would it be?

Have you ever been to a magic camp or magic class before? Would you be available to take Discover Magic classes on Saturday mornings at Coconut Creek Community Center?
