

High Fliers

Tesco Finest Ham with Spiced Cola Glaze Hand cooked Crisps

£1.00 for 150g

Overall Score Would Buy Intention

CMR Ref: 191022

48 **4.00**

These innovative potato Crisps sounded intriguing and tasted really different. The natural ham flavour was complemented by just a hint of cola glaze. These upmarket Bacon Crisps were a tempting weekend treat and great for sharing.

Sainsbury's Cinnamon Bun Flavour Festive Pretzels

£1.50 for 300g

Overall Score Would Buy Intention

CMR Ref: 191020

46 **3.85**

Beating the maximum for sweet snacks, these Cinnamon Bun flavoured Pretzels proved very moreish. A tasty alternative to salted Pretzels. 7 in 10 were keen to buy after tasting.

Asda Extra Special Mushroom, Spinach and Mature Cheddar Tarts

£2.59 for 330g

Overall Score Would Buy Intention

CMR Ref: 191018

43 **3.44**

A good delivery and at a competitive price point, around half were keen to buy. *'Bursting with flavour'*, these well filled Tarts benefited from particularly light, *'soft and crumbly'* pastry.

Still Grounded

Mr Filbert's Roasted Chestnut & Chive flavoured Peanuts and Hazels

£3.95 for 190g

Overall Score Would Buy Intention

CMR Ref: 191008

30 **1.98**

A new and exciting flavour for the snack aisle, but one that was considered expensive at £3.95. Product delivery and price were not aligned as for many Reviewers these nuts had a *'strange'/'average'* taste.

Walls BBQ Jackfruit Rolls

£1.50 for 120g

Overall Score Would Buy Intention

CMR Ref: 191041

27 **2.26**

Jackfruit is still a new flavour for many Reviewers and interest in trial was low. Ideal for Vegans as an alternative to traditional sausage rolls, but critics found the filling *'too bland'* and the overall consistency quite stodgy.

Iceland Luxury Spiced Rum & Cherry Christmas Pudding

£4.50 for 400g

Overall Score Would Buy Intention

CMR Ref: 191023

25 **1.94**

Half our Reviewers rejected this as *'not for me'* after trial and most felt there were better alternatives on the market. Very strong in flavour and rather *'soggy'* in texture, 1 in 4 gave this a 1 star rating.
