Verdict

Part of Tesco's Wicked Vegan range, this was a tempting offer for our meat free Reviewers, although the price point of £4.00 for 420g was considered expensive. On tasting consumers were disappointed with the "bland taste" and the "unusual texture", which some found to be "stodgy" and "dry" all reflected in the low overall score.

	★★★★☆	14%	Lovely flavours and texture I feel it could become quite sickly though if eating a whole portion Interesting and new needs to be more creamy Quite bland and I don't really like pesto so not really for me
	★★★☆☆	28%	The pesto is non-existent - it's a bland product but a nice crunch on top Full of flavour It was quite nice, the texture was a bit strange but it all worked well. It was tasty but is a bit expensive and wouldn't buy at full price
	★★☆☆☆	14%	Very dry texture made it a bit claggy, not much taste other than herbs Disappointed with this as it was very bland and nowhere near enough flavour. I like the pine nuts on it but overall quite flavourless. Didn't meet expectations. This was just ok on my opinion. I didn't hate it but not really to my taste. I liked the pesto flavour but the rest was rather bland.
	★☆☆☆☆	44%	Everything about it was poor Really bland and soggy it is tasteless Tasteless and not very healthy
